Indemnity

I, the undersigned _____ (name), being the _____ (relationship) of _____

_____ (applicant's name), hereby wishes to apply for him/ her to attend **EL MASARAWI CENTER** as of _____ (date). I acknowledge and confirm the following:

I waive any and all claims that I may now and in the future have against, and release from all liability and agree not to sue or bring in disrepute **The El Masarawi Center** collectively or its staff, for any personal injury or loss sustained by my son/ daughter or myself as a result of any cause whatsoever, including without any limitation negligence on the part of **The El Masarawi Center** or its staff. I have been informed regarding the school's program and I am satisfied to enrol my son/ daughter at the school.

I undertake to assist the student with revision/ lesson at home- I understand that it is my responsibility to make sure that my son/ daughter prepare his/ her lessons at home and that his/ her homework is completed. I will monitor my child/children's progress and sign his/ her message book on a daily basis.

I have been informed that the institute's holidays will not always correspond with that of the public schools; hence I undertake to make sure that my child is in class for the full duration of the teaching year and that I will determine family holidays, etc., in accordance with my child's schooling program. The school reserves the right to report all incidents of absenteeism, etc., to the Department of Social Development, the Department of Education, the South African Police Service, and all relevant bodies, should it be found that the child was unreasonably kept at home (when he/ she should have been in class). If a student 'forgot' his/ her revision during holidays, I understand that it is the school's policy that he/ she will be sent home until such time that they know their work again. The school will not take responsibility to re- teach that work which was lost over holidays.

In cases of absenteeism, late coming, or having to leave school early, I will call or email the Administrator/teacher BEFORE CLASS STARTS FOR THE DAY in addition to sending a written note afterwards. I concede that no SMS'S (or whatsapp/ messages from parents' phone) will be accepted by the Madrasah and that any learner absent for a week without notice will be considered dismissed from the school whilst re-admission cannot be guaranteed. Every communication from me to the school (child's absenteeism, complaints, medication in case of my child being sick, etc.) will be reduced to writing (duly signed and dated). On collection, I (or the person authorised by myself) will check that my child has all his/her belongings and for any visible injuries on his/ her person. In case of harm or injury, I will request and fill out the Accident and Injury form provided by the school, and it will be signed by the teacher in charge in my presence. I will have no further claim if this procedure has not been followed.

I will allow my child to participate in excursions and extra- mural activities, of which I will carry all risks and costs associated to hazards, personal injury, damages, etc (The signing of this form allows my child to participate in these activities). I will stand responsible for any misdemeanours perpetrated by my child against the property of the school or of any other institution or person at my full expense.

The monthly school fees have been made known to me and I undertake to pay these fees every month IN ADVANCE for 12 months per year. I am made aware that in terms of Section 45 of the magistrate's court act 32 of 1994, the school is entitled to institute legal proceedings for the recovery of any monies owing by me to the school and that any costs incurred for this purpose will be for my account. No reports/ transfer letters etc.; will be issued if there are outstanding accounts in the name of the learner. In the case that it has been decided that my child/ children will not be attending the school anymore, I will notify the school in writing at least four weeks prior to my child leaving the school and that I will be liable for any outstanding accounts. I will make sure to obtain a receipt for all the monies paid by me to the school.

Should I have any dispute or complaint with a teacher or a particular student, I will bring it to the notice of the Administrator in writing. I will avoid having any direct confrontations with the learners or teachers with this regard or with issues of an administrative nature (including school fees, etc.). I will make myself available for discussions with the parties concerned with the intention of amicably seeking solutions to the issues concerned. I will respect the confidentiality in which such discussions will be held for the greater good.

I am informed that each student registered at the institute is enrolled on a three-month probation period. The school reserves the right to review the student's application during this period as well as after it in terms of the students' progress, behaviour, his/ her response to the learning environment, etc. I agree to meet teacher/s if asked to do so and I understand that failure to comply would result in my child/ children not being allowed to enter class. All meetings between me and the administrator or any of the teachers will be by prior appointment only.
